

## **Lisa's Song**

I've been a captain on the ocean  
I've had a love on every shore  
I've rode the ranges of emotion  
I've never felt like this before.

So many times I've played the game now  
And I have rolled the losing dice  
You stick your toes into the fire, babe  
And you will burn them once or twice.

I've never felt like this before  
You can imagine my surprise  
When I saw what I saw shining there  
When I looked into your eyes  
And I don't know what you do, girl  
And I don't know who you've been  
I only know I want to have you there  
So I can feel this way again.

There's been so many times I've lived for you  
And so many times I've died  
I'm not gonna say how long I've looked for you  
You wouldn't believe me if I tried

I've never felt like this before  
You can imagine my surprise  
When I saw what I saw shining there  
When I looked into your eyes  
And I don't know what you do, girl  
And I don't know who you've been  
I only know I want to have you there  
So I can feel this way again  
I want to feel this way again.
